

# IMAGINE THE GOOD YOU CAN DO...

**O**ur scholarship program makes the Y available for children and families who need us most. Your generosity will help people of all ages and from all walks of life in our community improve health, confidence, connections, and security this year.

## How does the Y change lives?

**228 of our community's kids** received \$70,321 in assistance, last year, enabling them to experience the excitement, acceptance and independence of Camp Wapsie.

**5,500 people** in our community are getting active and working to improve their health with the help of scholarships for YMCA programs and memberships.

**Over 3,000 kids** participated in Y youth programs and services, gaining new skills, friends and healthy living habits.
