Along with a YMCA competitive swimming club, the Helen G. Nassif YMCA also offers age group swimmers the opportunity for further training and competition with a USA competitive swimming club. As with the YMCA club, all participants must be members of the YMCA during periods of participation. Swimmers that swim for the USA branch of the MACR Sharks are also automatically members of the YMCA club, if they choose to be. Conversely, YMCA club members are NOT automatically USA club members. Pricing for the USA club is different than pricing for the YMCA club. If you are interested in USA swimming, please call Paul Brown at the Helen G. Nassif YMCA for further information. New swimmers to the MACR Sharks will be asked to perform a swim evaluation for proper placement within the swimming program offerings. SOCIAL RESPONSIBILITY

Building a strong community

GIVE

“To put into the possession of another for his or her use.”
– Merriam-Webster Dictionary

There are so many ways to GIVE in today's world and no lack of opportunities. It is why we are so appreciative of your commitment to the YMCA of the Cedar Rapids Metropolitan Area. Yes, we are a membership organization but we are also a charitable organization. A gift above your membership dues opens the safety of the YMCA doors and programs to others.

You know the challenges that we face in our community. More and more children face seemingly insurmountable learning gaps. Families find it difficult to spend quality time together.

But where society falls short, the Y – and donors like you – steps in. After more than 149 years of serving our community, the Y understands what Linn County needs to be its best. Everything our Y does is in service of making us, as individuals and as a community, better.

Keeping our communities great is a full-time job. YMCA donors, volunteers, members and partners like you make the difference. When you give to the Y, every dollar donated stays local and has a lasting impact on the people we serve. Your gift has a meaningful, enduring impact right in your own neighborhood. All donations made are used to support our local community. Through the generous support of our 2016 Annual Campaign donors, the YMCA of the Metropolitan Cedar Rapids Area raised more than \$200,000 to ensure that everyone in our community has access to life-changing programs and services at our local YMCA.

Did you know that a gift of \$50 can help one child learn safety skills in the water? A cancer survivor can participate in the 12 week **LIVESTRONG** program to regain their strength and mobility for just \$250 and for \$500 two teams of children can play YMCA youth soccer.

We are grateful every day for our members and also to those that have given beyond their membership dues to help others with the opportunity to experience being a part of the YMCA family.

Check out our online giving option at www.crmetroymca.com/donate

Every year the YMCA of the Cedar Rapids Metropolitan Area solicits funds for the Annual Campaign and these funds make it possible to keep our promise of making YMCA programs and services available to all, regardless of ability to pay. Your GIVING can be at any time of the 2017. Don't forget to ask if your employer has a matching gift program. Thank you for investing in our community. If you prefer to [GIVE online](#), just follow the link. All gifts are tax deductible and you will receive a receipt for your records.

Mark your calendars and register online for these popular YMCA events where all proceeds benefit the Annual Campaign and support our programming and scholarships.
